We would like to invite you to participate in this research project. You should only participate if you want to; choosing not to take part will not disadvantage you in any way. Before you decide whether you want to take part, please read the following information carefully and discuss it with others if you wish. Ask us if there is anything that is not clear or you would like more information.

Details of Study

This study aims to investigate how people perform number transcription tasks. You will be asked about your experience with transcribing numbers, and asked to perform a number transcription task, to show the researcher how you would normally perform this type of task. We will also audio record the interview for further analysis.

The interview will take approximately **30-45 minutes** and you will be reimbursed with a **£10** Amazon voucher as a token of appreciation for your participation.

It is up to you to decide whether or not to take part. If you choose not to participate, you won't incur any penalties or lose any benefits to which you might have been entitled. However, if you do decide to take part, you will be given this information sheet to keep and asked to sign a consent form. Even after agreeing to take part, you can still withdraw at any time and without giving a reason.

All data will be collected and stored in accordance with the Data Protection Act 1998.
